

Please review the Afterschool Program Development NOFO, available at www.statecommissions.org for complete information and requirements prior to submitting this application.

Applications are due Friday, August 31, 2018 at Midnight ET.

With questions contact rbruns@statecommissions.org.

1. Provide contact information for the person to contact regarding your application:

First and Last Name	<input type="text"/>
Title	<input type="text"/>
Organization	<input type="text"/>
State/Territory	<input type="text"/>
Email Address	<input type="text"/>
Phone Number	<input type="text"/>

Problem/Need

2. Provide an assessment of afterschool challenges in your state and how national service could address the challenges.

Planning

3. Describe your plan to better understand challenges facing afterschool programming in the state.

4. Describe your outreach plan for engaging organizations and experts, including the statewide afterschool network in your state. Discuss existing relationships or conversations your commission has had with afterschool networks/programs in advance of submitting this application.

5. Describe your plan to help potential statewide afterschool networks and programs determine how they can use national service to address the identified needs. Describe how you will prioritize afterschool programming in your outreach for upcoming funding opportunities (i.e., formula). Describe how you will explore opportunities to incorporate service and/or service-learning activities into afterschool programming.

Timeline

6. Provide a timeline for completing the planning process that allows viable organizations to apply for funding. Your timeline and activities should include participation in required ASC meetings.

Organizational Capacity

7. Describe your staffing plan to participate in this grant including participation in required ASC Training and Technical Assistance.

8. Describe your staff capacity to provide technical assistance to the statewide afterschool networks and afterschool programs to apply for national service funding.

Budget

9. Your budget should be sufficient to carry out the grant activities and include costs to participate in required ASC calls and in-person convening. Expected uses of the subgrants include: percentage of staff time for staff focused on expanding afterschool programming, local/in-state travel to meetings, as well as travel to the annual national convening organized by ASC.

Letter of Support

Your Letter of Support from your state's afterschool network should detail their support for your application and any initial plans that you have discussed.

10. Upload the letter of support:
