“The value ASC brings to the state service commission network is immeasurable. They are a tremendous partner and help us undertake strategic endeavors that we couldn’t accomplish otherwise.”

—Ginna Holmes, Executive Director,
Michigan Community Service Commission

UNITING STATES IN SERVICE

455 Massachusetts Ave NW
Suite 153
Washington, DC 20001

WHO WE ARE

ASC is a membership-based organization located in Washington, DC representing the 52 state service commissions.

Our Mission

We lead, support and elevate the state service network.

Our Vision

All states embrace service as a strategy to build community in solving local challenges.

MEMBERSHIP

Individuals:

Commissioners, trainers, consultants, commissioner or national service program staff members, AmeriCorps Alums

State Service Partners:

AmeriCorps State programs

State Service Commissions:

Governor-supported state service commissions

for current membership rates.

JOIN TODAY

America's Service Commissions represents state service commissions and its programs by:

- Providing one unified national voice for the state service network
- Educating members of Congress and state legislators on the value of national service and volunteer programs
- Facilitating training and technical assistance for state service commissions and their programs
- Coordinating peer-to-peer learning opportunities for the national service and volunteer field
